

Apostle Val Tigner

Biography

After living life on the streets of Atlanta with a tormenting addiction to crack cocaine, relentless rapes, and no permanent place to rest her head, Val Tigner sought to end her life. In June of 1993 she began a committed walk with Christ and made the decision to serve as a member of Mt. Carmel Baptist church, where Timothy Flemming, Sr. is Senior Pastor. This was the beginning of a new life that was destined for spiritual growth and achievements.

At the request of her Pastor, Val Tigner enrolled at Carver Bible College in Atlanta, GA. With a newfound love in her heart and a desire to know the Lord more, she quickly grew in knowledge and understanding of the Holy Scriptures. In 1995, she stood before fellow Christians of Mt. Carmel to deliver her initial sermon. Late, in 1997, she yielded to the voice of the Lord and began a Bible Study. She didn't realize that this Bible Study, better known as Christians In Motion for Christ, would quickly evolve into a promising ministry!

During this time, Pastor Val traveled throughout Georgia and neighboring states with the mission of healing the sick, bringing hope and restoring the lost. During these healing crusades: "Mission: Is Possible" and "Christ for Life," countless souls were saved, converted and delivered from all manner of evil.

Now Apostle Val is Senior Pastor and Founder of Resurrected Life Christian Fellowship, which is located in East Point, GA. She became a member of Faith Deliverance International Association where her Pastor and the founder is Apostle Nathaniel Jackson. Elevation came in late 2008 when her Pastor, Apostle Jackson, anointed and ordained her as Apostle.

Within recent years, God has birthed Virtue and Life (V.A.L.) Ministries, which markets powerful and inspired sermons of Apostle Val through CD sales, annual women conferences, crusades and monthly women's meetings. In addition, Apostle Val is currently working on her first book called, "Go To Hell!" © 2010 and will begin working on her first music CD, "Resurrected By Music" ©2004.

Apostle Val has an authentic love and compassion which has propelled her to establish other ministries of help within Resurrected Life.

Through her preaching and teaching, many have labeled her "controversial", while others describe her as "radical", "raw" and a "rebel". No matter how you describe her, she is anointed of God. He has given her the gift of deliverance that parallels the deliverance and healing that have been recorded in Scripture during the time of Christ and His Apostles. When you sit under the Word as it is spoken through this vessel, expect truth, expect deliverance and expect God's anointing and power. She's taking the world by storm!
